SUMMARY

Senior Product Manager with 11 years of experience driving product strategy, cross-functional execution, and go-to-market planning for B2B SaaS platforms. Track record of leading products from 0-to-1 through scale, with deep experience in pricing strategy, user research, and data-driven roadmap prioritization.

EXPERIENCE

Senior Product Manager — Fieldstone Analytics, Austin, TX

June 2021 – Present

- Own the product roadmap for a \$40M ARR B2B analytics platform, leading a team of 3 PMs and partnering with 25+ engineers
- Launched a self-serve onboarding flow that increased trial-to-paid conversion by 34% within two quarters
- Redesigned the pricing model based on usage-based tiers, increasing average contract value by 22%
- Led quarterly roadmap planning with executive stakeholders, aligning product bets to company OKRs

Product Manager — Vantage Cloud Systems, Austin, TX

March 2019 – May 2021

- Managed the product lifecycle for a workflow automation suite used by 200+ enterprise customers
- Ran a structured user research program (40+ interviews) that informed a full IA redesign, reducing support tickets by 18%
- Partnered with sales and customer success to define and launch a tiered enterprise feature set
- Introduced A/B testing practices to the product org, running 15+ experiments in 18 months

Associate Product Manager — Fieldstone Analytics, Austin, TX

July 2017 – February 2019

- Owned the reporting and dashboards module, shipping 12 major features across 18 months
- Collaborated with design to launch a redesigned dashboard UI, improving daily active usage by 15%
- Wrote detailed PRDs and acceptance criteria for a team of 6 engineers

Business Analyst — Meridian Consulting Group, Dallas, TX

August 2013 – June 2015

- Supported product strategy engagements for 5 mid-market SaaS clients, including market sizing and competitive analysis
- Built financial models to evaluate new product line feasibility for two clients, one of which launched successfully
- Presented quarterly findings directly to client VP and C-suite stakeholders
